### IT WAS DONE WELL.

Westminster Church Holds Its Annual Meeting Entirely Out of Debt.

Westminster Presbyterian church, corner of College avenue and Huntoon street, was the scene of festivities last night, the occasion being the annual banquet and church meeting.

There were four tables fifty feet long placed in the main room of this cozy church, and they were groaning with the weight of eatables. Fully 200 of the congregation sat down to the feast at 8:30 p. m., and to say that the supper was excellent would be putting it mildly.

After the singing of the doxology the banquet was begun. After the tables were cleared, the annual meeting was held. W. A. Neiswanger was chosen as moderator, and the reports of the different societies were read. The church is now entirely out of debt, both in its running expenses and also for its building. This is very encouraging for a church in such a thinly settled neighborhood as this.

It was decided to increase the board of elders from three to four members. L. L. Axtell and J. M. Morgan were elected elders, for the term of three years. Myron Axtell and S. D. Rose were elected deacons, and Thomas S. Lyon and Frank Miller as trustees.

Rev. E. S. Farrand, the pastor, was presented with a fine oil painting of the church by Mr. Clark, and also with a cake.

The meeting was a most successful one and the supper in connection with it was a pleasing feature.

Westminster church is a flourishing one and bids fair to become the largest one in the western part of the city. Rev. E. S. Farrand, the pastor, is doing earnest work, and the results are beginning to appear.

### NEW REPUBLICAN CLUB.

It is the Columbian and It Elects Officers. The Columbian Republican club was organized last evening and elected John H. Calvin, president, and W. H. Nippes, secretary. The parties who are interesting themselves in this club are all workers and no doubt much good work will result from its organization.

The following delegates and alternates were chosen to represent the club at the League meeting: John H. Calvin, president; E. D. McKeever and L. S. Ferry delegates, and Robert Stone, J. B. Purry and C. J. Gore alternates.

**WON'T SUE THE GOVERNOR.**

### MR. PECK'S HOUSE SOLD.

Does This Involve the Removal of His Residence From Kansas?

It is probable that Hon. George R. Peck has removed from Topeka permanently. Mr. Peck has sold his handsome residence on Western avenue to Mr. T. J. Kellum, and although the deed has not yet been filed for record, the arrangements have been completed for the transfer of the property.

Mr. Peck, who is now in Kentucky, where he is enjoying his enforced vacation for the benefit of his health, will be in Topeka about April 10th, when the papers for the transferring of the property will be signed and filed for record.

The consideration of the sale of Mr. Peck's house has not been announced, but when the house was built a few years ago it cost \$22,000.

Mr. Peck's removal from Chicago to his home, and his friends had hoped he would bring his family back here to live, but the sale of his home indicates that his intentions are to make his home permanently in some place outside of Topeka.
